I only met Debbie once at Glens house the day of Judy's COL. of course she would be there for Glen. She was feeling overwhelmed and I found her by herself in the house. We just bonded immediately. She was so witty and down to earth.

Kevin, I was saddened to hear that Debbie has passed. My sister Debbie (Kraft) shared the news with me and I thought I would send my condolences along to you and yours. I know it's been quite a while since I've seen you guys but I just felt like saying that I remember our high school days and how much we all enjoyed being a member of the class of '75' and how all of us I'm sure have fond memories of those 'good ol days'...she will be missed and I'm sure she is in the 'best of hands now'. Your old friend, Bill Kraft

Debbie was the perfect host. Staying at their house was so easy and fun. She was always willing and loved to have family and friends over for cook outs, pool fun and bonfires. She loved my brother with all her heart, maybe not as much as the place in Florida though . I was just telling Kevin that last night I was thinking of Debbie and I just thinking how heaven looked and at that moment I heard Hi Jamie! There is a new angle in heaven tonite. Rest in peace Debbie you will be missed by all.
