So sorry to see this news! I was just searching the internet for Scott family information when Doris Anne's obit popped up. I had so much fun with the Scott family many, many years ago in Argenta. I will pass on this info to my daughters, Leslie and Karen who will want me to convey all of our deep condolences to Scotti, Renee, Rick, and Robyn. I see Randy has already died. My second husband, Alvin, just died in January so I am adjusting to a new life alone. There are good days and some not so good days. We must remember the good times.
