Radine, So sorry to hear of your loss. My earliest memory is the Decatur Trailer park when we were children and a few trips to your house in Decatur. Will keep you in our prayer and may God hold you close. Love Lisa (Frohn) Jameson

Radine, we have such good memories of Kenny as a boy and later as a man. When he and Mike were 13/14, we took them to Six Flags, but it was a Monday and we learned when we got there that the park was closed on Mondays! (That was before the internet.) They were such good sports, and we all went to the St. Louis zoo instead, so the day wasn't lost. We did have some good laughs about it! Also, one very cold winter Saturday, the boys wanted to go to the mall, but John told them they had to wear jackets or he wouldn't take them. They finally agreed, but who knows what they did with them once they got there! Then as an adult, we had lots of good conversations with him about the Bible and the Christian faith. We loved him and will miss him. We're so very sorry for your great loss.

Radine, I remember when you and Kenny, about 18 at that time, came to see me in Minnesota. When Kenny walked in the door, I thought he was so cute and could win over any girl with his beautiful blue eyes. He has been in many of my prayers and now there is an empty place where his name used to be. Radine, you are in my thoughts and prayers. Aunt Clarene Seemann

Kenny, I met you some 30 yrs ago when I started dating your stepbrother. Before that I knew you were the cool stud on wheels at Great Skate North and you were well known in my teens. I always appreciated your kindness and warmth towards me through the years even as we got older. Im sorry to hear of your passing and I will miss our Facebook chats as I kept you posted on the Gift I had with your stepbrother( he will be 28) and I know you proud of hearing about the success he has become... The world is certainly a darker place as you were kind, cool, and such a GEM to this world. I was blessed to know you, RIP Kenny & I know you and Chad are together again laughing and joking around..... You will be missed..... Prayers to everyone at this time.....
