To the family of Mrs Ducey.Sorry for your loss. My sincere condolences to you. I didn't know "Mama Kris or Grandma Kris." I saw her only once that I recall, a short time ago, at a Fellowship Rally. Other than a"Hi" no real conversation transpired but I was honored with the pleasure of giving her a hug and receiving the love that emanated through her...Such a blessing.Again, sorry for your loss. May the God of all comfort comfort you in all your tribulation that you may be able to comfort them which are in any trouble by the comfort wherewith you yourselves are comforted of God. In the name of Jesus. Mary Andrews

Mama Kris is who I known her best and we always called each other BFF. She was always such a sweet lady and we became close friends too. There were times she needed to talk and I told her that, I will always have time for her and that she can always call me anytime! I'm sure going to miss her and I'm sorry for the family's loss. I will keep praying for the family during this difficult time and now she's with the Lord. I love you Mama Kris and rest in peace. ❤️

Kris was my cousin. (I'm Joan's daughter). I remember Kris as a strong overcomer. She didn't let the challenges she faced keep her down. When mom was sick she would call and check up on her. She also kept up with dad after mom passed away. I can't recall her ever complaining about the difficulties she faced her whole life. She was so proud of Eric! I know her family will miss her.
