Kip was such a loyal and loving person with a huge heart and gentle soul. He had the good nature and devotion of his father, and I was lucky to call him my brother in law for a short time in my life. He always managed to smile and find something funny to say and bring a smile to others' faces no matter what was going on. He loved his family fiercely and I am certain he will be looking down on each one of you, waiting for the day when you are all together again. I'm so sorry for the pain you all are enduring, I hope you can find some comfort in knowing his love for you is eternal. We will miss you Turtle! With deepest sympathy and honor,Gina Perry and family
