Vicki has been my dear friend for so many years. We shared happy times from 5th grade throughout our high school years. Later on, we raised sons who were born only a month apart, and they, too, started school together as pals. I will never forget how Vicki's mother taught us to make cheese popcorn, and how we planned and dreamed together at sleepovers and on trips in the family camper. Be at peace my sweet one. There is an empty place for you in my heart. I will remember you with joy and laughter, and then see you someday on the other side. With love and sympathy to Chuck and Ty, Mary Chastain Little

So sorry for your loss Chuck an Ty. Vicki was a friend and colleague of mine at DMH working on the mobile vans. So much laughter, such a beautiful spirit, so many wonderful memories. We were several years apart in high school but so many memories of that time too. My prayers are with you both. Julie Chastain
