Sally Jo Morehouse

JUN 17, 1951 - JAN 18, 2024

The world lost a gem in the coal mine of humanity on January 18th, 2024.

SALLY JO MOREHOUSE (PRYCZYNSKI)

was introduced to the world June 17th, 1951. Her presenters were "Fuzz" and Pearl Pryczynski who exited the scene before her.

As a child Sally did her best to antagonize her siblings, Lennie and Mike, along with her many, many Aunts, Uncles, Cousins and Friends that Loved her dearly. Then continued her antics with her Nephews Aron Reynolds, Shane Michael and Jordan Leonard Pryczynski. After graduating from MacArthur high school in 1969, Sally embarked on a multi-year adventure in the Mobile Entertainment Industry where she met and married Philip Morehouse, whom she later divorced, until February 23, 1983, when the light of her life joined us, Sarah Rose Morehouse, who to this day brightens All our lives. Sally would still occasionally partake in the carnival life but would eventually flex her culinary muscles. First at Tom's Grill then in the Caterpillar factory canteen in Decatur.

Then it seems she found her true calling, working with the Special Needs Community at A Step Forward, where she showed her true colors of being the Kind, Caring, Helpful, and Loving person she really was.

When she finally tried to retire it wasn't meant to be, so she continued entertaining the public at J.B. Hawks as a retail clerk until she left us to push the spin button or pull the handle on a slot machine in that Big Casino in the Sky!!

WE WILL ALWAYS LOVE AND MISS YOU SALLY JO...

I was saddened by the news of Sally's passing. Even though we weren't in contact except on messenger I have only good memories of Sally and Sarah working at Hickory Point Terrace. Heaven now has a special angel.

God called an angel home, the world is less bright without Sally. I worked with her mom Pearl at Swartz's and she was a beautiful person. She passed her beauty and humor to Sally, as the rest of her family. Pearl was friends with my father Joe Briggs. Sally and I knew each other through the years and worked together at Hickory Point Terrace. She made everyone's day brighter and happier with her hilarious self. I extend my love, condolences and prayers to the family. So sorry that I was unable to pay my respects. Crystal Briggs

I can rarely say I've found an instant friend, but Sally was one! Imminently I felt a kinship with her. I just today, to late, found out she's gone. Sally, I will always call you friend, I'm sorry I couldn't say goodbye.

I am just heartbroken ❤️ that Sally has left us. She was an angel on earth and now she's an angel in Heaven. Sally and I go back 50 years and we always kept in touch if we weren't together laughing and having just the best time together. I could go on and on about our friendship. I'm gonna miss you Sally. My heart goes out for Sally's family. Marcia Moore
