Grandma i love and miss you so very much. i still remember one of the last few conversations we had i knew you were ready to go. I'm glad your back to walking normal and no longer in pain. have fun reading and doing all your hobbies in heaven. I'm glad to have you apart of my life for 29 years. Love your spoiled grand kid.

I was going through tributes on this page, and me and Cecelia have the same name! I never knew her personally, but I'm telling the spirits to guide her family. Sending my condolences now...
