All though we were not close friends, I have known Patty since kindergarten and knew her quite well and considered her a friend. I had never known Patty to be anything but kind to everyone she was around. I will miss running into her and Charlie at a store and having good conversations with her. I know Charlie, Sharon and all of her family will greatly miss her, I hope they find comfort knowing that Patty certainly is in the arms of the Lord and forever will be at peace.
