Very nice video of some of Carol's life. She is one of my first cousins that was born in Decatur to my Mother's sister. We were always close even though we lived many miles apart. I was even in one of the pictures, holding Carol's first baby. This is a precious film even though it did bring joyful tears to my eyes. Thanks for the memories of Dear Carol !

I will always remember Carol for her beautiful smile and she was the only friend of mine who was willing to always come over and help me declutter. She was a beautiful spirit and will be missed.
