Bruce was a legend to me and my brother growing up. He never failed to make us laugh and had a personality big enough to fill the room. Give Barb a hug from me and tell Todd hello. RIP old buddy.

So sorry for your loss. We always enjoyed visiting with Bruce at Bob Watson's in the garage. We talked to him about going to Phoenix AZ and the next day Bruce brought us some magazines he had about the Wild West-Phoenix area. We miss his smile and little chuckle laugh he had. Bruce was first class and a friend to many. Your family is in our thoughts and prayers. Larry and Shelly Auton

Holly, So Sorry for the loss of your Dad. He was such a Sweet Heart when he would come by the office to bring your Mom for her Hair appointments and we talked about many things while he was here.
