Marian was a good friend in my youth. I introduced her to Rick which strangely enough affected my own life as their friend. My fondest memory of her was when I took her to North Carolina to be with Rick while he was in the Marine Corp in 1972, and stayed with them at least a week. That actually moved me to join the Marines. I am sad I lost touch with her, actually thinking she had moved out of state. I was surprised to see she was still in the area, would have loved to have visited her and reminisced over old times. My condolences to the friends and family of Marian, and am truly saddened at her passing. Robert Gwin

Aunt Marion will be missed by many. And I will cherish my childhood memories of her. I remember her laugh and trust she back with Granny and visiting with Jesus.
