So sorry to hear of the passing of Terry. I worked with him as he oversaw the maintenance of the Midstate soccer complex for several years. He would always text or call weekly (sometimes daily) on his plans to keep our amazing fields looking brilliant. Although he didn't know a lot on the game of soccer he developed a passion for our facility as he knew it meant so much to so many in our community. His tireless work, attention to detail & pride in his work was admirable. Our fields never looked so immaculate as when Terry was working on them You will be missed Terry & in your own words prior to a big soccer weekend for us " let's go Midstate !" Rest easy
