## **Bradley P. Cain**

MAR 30, 1974 - NOV 3, 2025

**D**ecatur – Bradley Price Cain, 51, beloved son, brother, uncle, and friend passed away peacefully in his sleep from congestive heart failure.

Brad graduated from Dennis School, St. Teresa High School and Eastern Illinois University with a degree in Finance. He proudly served in the U.S. Navy serving on the aircraft carrier Kitty Hawk during the Persian Gulf Conflict.

Brad never knew a stranger and made many friends bartending at Bizou and Pops. He worked for the State of Illinois for the last 9 years and had been a member of Central Christian Church for 36 years.

Brad has left a very loving family: parents Dick and Sue Ann; brothers Doug (Kate) and Ryan (friend Lindsay); nieces and nephews Chloe, Alex, Abby, Lily and Luke.

He will be missed at every family gathering but our memories will live forever.

Visitation will be Friday, November 21, 2025, from 2 pm until the service time at 4 pm, at Graceland/Fairlawn Funeral Home. Private family burial will take place at a later date in Camp Butler National Cemetery. In lieu of flowers, memorial are suggested to Central Christian Church.

My favorite memory with my uncle Brad was him taking me to a beloved Phish show in Indianapolis right after I moved there. I got to meet the guys who he shared over 30 shows with. (Thank you Doc and guys for always being such good friends to him) I'm glad we could share the same love of jam bands. He was always so fun to be around while growing up. He'd often be one call away if I missed the bus or forgot my lunch. In high school I'd go sit at the bar at Bizou for a cherry coke, in college it was Pop's for NOT a cherry coke. I'm glad we got that time together. He loved the cubbies so much, but even more so I-L-L... He was the brightest light with the greatest laugh and our family won't be the same without him. He is so missed already. He wrote a card for us he had already signed for our wedding before his passing. I will cherish that card forever. We love you. You are so missed already.

Always will remember when Brad, Elizabeth, & me went golfing at Scovill Golf Course. It was definitely amateur day, "for me at least". He taught me about snowman. This is where if it's going to take more than 8 swings, time to move on to the next hole. A great day with a lot of fun, friends, & a ton of laughs. Too young my friend, Michael Harper

Bradley, I am the oldest of the five Cain grandsons and you are the youngest. I always looked forward to when you, Doug, and Ryan would arrive at Grandma and Grandpa Cain's house on Thanksgiving and Christmas and all the fun and laughs we would always have! When we saw each other a few times over the years it was like we never missed a beat. Thank you for being such a special part of all of our lives! Your Cousin, -Tony

Brad was my best childhood buddy. He taught me the beer can trick when we were about 9 or 10 and we ran all over the west end playing that prank. He was the youngest of three boys and I was the oldest of three boys, so many of my first experiences were down at his house. He was always such a funny guy at a young age and through adulthood. Any time I ran into him in the past 20 years, I knew I was about to start laughing. I am really sorry to learn of his passing. Pen Shade

Some of the best times as Brads friend came over the last few years getting a call 2 hours before Illinois basketball tip off asking if I wanted to go to the game tonight. I always said yes and we went on our way. He was always great to create a new memory with. His sense of humor and positivity was infectious. He will be dearly missed. My prayers are with his loved ones.
