Michael L. Simroth

JUN 30, 1959 - NOV 11, 2025

Michael "Moth Man" Simroth, 66, of Decatur, Illinois, passed away on November 11, 2025, in his hometown.

Born on June 30, 1959, in Decatur, Michael spent his life rooted in the community where he was born and raised. He dedicated most of his working years to general maintenance—a field that suited his hands-on nature and willingness to lend a hand wherever it was needed.

Michael was known for his generous spirit and unwavering readiness to help others. Whether it was assisting with a construction project or simply offering support when someone needed it most, he never hesitated to step up. His neighbors fondly remember him as the heart of the block—always hosting gatherings where everyone felt welcome. His home was often filled with laughter, music, and the warmth of community.

Outside of work and neighborhood camaraderie, Michael found joy in simple pleasures. He loved spending time with family, watching movies, tending to his yard with care, and working on his vehicles. He especially love spending time with his son, who he was very proud of. These hobbies reflected both his appreciation for quiet moments and his knack for fixing things—qualities that endeared him to those around him.

In accordance with his wishes, cremation will take place with no public services to be held.

Michael is survived by his son, Jeremy of Decatur; his brother, John (Trudi) of South Carolina; sisters, Cathy of Tennessee and Susan of Florida; as well as many nieces and nephews who will carry forward memories of his kindness and generosity.

He was preceded in death by his parents, Carl and Anna (Lindsey) Simroth.
