Mark was a really great guy, I didn't get to know him that well but he would do anything he could to put a smile on your face! He was a lot of fun to be around and all that energy he had! My mom knew him when he was doing maintenance at her apartments and has fond memories of him as well. Our condolences to his family and friends...Fly high MarkTammy LeighPat Harding

Mark was definitely a great friend. We had many laughs. I think we did more laughing than anything. He wouldn't hesitate when I'd look at his Harley and ask to take it for a ride, he'd say...Go ahead ! We shared many stories and had a very close friendship. And he was indeed a man that would do anything for ya ! It was fun working with him. We for sure did our share and then some of "That's what she said " jokes . He always brought a smile to everyone. I'll definitely miss him. Friendship like his is hard to find.

Mark was like a brother to me. We maybe shared a beer or 3 together at many barbeque's or an evening at the Bourbon Barrell. Spent many recent family holidays together as well as in the when Sheila was still with us. We did some riding together and even took a trip to Florida for Joel and Kelsey's wedding hauling our bikes. Mark would come over when he needed his oil on his bike changed after calling and saying as he always did, "Hey now" can you show me again how to change the oil..He was always happy, smiling and quite the jokestar! I will miss you brother! Bobby Ellis

Mark, I never once walked, ran, or drove by your house that it didn't make me smile to see it. You were out so much and always getting a wave, conversation, and help when I needed was so special to me. You were so kind to me and I will miss seeing you very very much. You know how much I love Harley's and our neighborhood is going to be so quiet now. I loved seeing you ride by all of the time - you always were so happy and at home on a bike. Thank you for all the memories and friendship. God Bless. Kristi Palmer
