Dear Jim and family, please accept my sincere condolences for the loss of Linda. She was a very special and caring lady. One of our very best times together was when the 2 Jims and the 2 Lindas took a trip to Bennett Springs, Mo, fly fishing, then drove back to St Louis and flew to Las Vegas for a few days. Such a great time and memorable. Much love, Linda Neps

Linda was a dear friend and I loved her like a sister. She and jim was there for me when I was going thru breast cancer. Linda, jim and I went to dinner occasionally and she was always joking and laughing. She would come to the produce stand and joke around, etc. She will be greatly missed.
