Too many memories when you have been friends for 49 years. Cruising Eldo, the many car shows, concerts, baseball games, friend gatherings, parties, dinners and still to this day our core group of friends getting together every few weeks for dinners or get togethers at someone's house. Cathy has always been such a great friend and she was a great wife to Mark, and mother to Keagan and grandma!! And a great mother-in-law to Destinee, her family was everything to her. She will be deeply missed by so many.

Kyle Reynolds lit a candle in honor of Catherine.

Cathy was such a special, gifted person who loved her family. Her family loves her deeply as well. She was easy to get to know and a gifted administrative assistant who worked with grants and associated programs in Decatur Public Schools. I had the privilege of working with her; for several years. I never met a harder working person! She was a person who put family first and loved her husband dearly. You will be in my thoughts and prayers in the days ahead. May her memory always be a blessing to you. - K. Scot Reynolds, Retired Administrator Decatur Public Schools, Spoon River Valley School District 4.
