“ Bro Olson as I knew him. He was a shining example of Christs love. I met him and his wife Ramona about 50 some yrs ago at an Assembly of God Church in Gibson City Il. Sis Olson as I know her took me under her wing so to speak. She and her husband were very devote Christians. I had just begun coming to Church and didnt know much at all. I learned a lot from her and bro Olson. They were always so kind to everyone. They quickly let you know Gods Word and serving Him was the most important thing to them in life and in their life they lived it. I received The Lord in that little Church. In 1973. Alto I dont see them often. When I do we pick up where we left off. And I know Olson will be greatly missed. There are few rare jewels like him left in this world today. The Lord saw fit to call him home to be with Him forever. And one day we will see him again. I pray God gives great Peace and strength to Sis Olson. (Ramona) daughter Linda and her sister and all the family at this time.
