“ I had the honor of having Jean attend my Sunday School class and always enjoyed talking to her at band concerts. She was always a joy to be around and will be missed Don Baker

“ Ted and I had the honor of having meals with Jean at Riverview. We enjoyed her and her son's stories. She was a good friend to Ted and one of the highlights of his day.

“ A light went out when Jean passed! As a child I remember her sweetness and gentle nature like it was yesterday. She and her husband Dick would visit my folks and it just stuck with me all of my days what a sweet sweet woman she was. I still hear her voice in my head. I appreciated that very much . Thank you Jean for such memories and the photos you sent me several years ago! So sorry Debbie for your family's loss.
