To all of Judy's family:Judy was a dear woman and my mom's best friend. The girls always went on adventures together, Judy, Mom, Joyce Keller, Nancy Petrucha and two other high school friends that never lost touch. After my mom (Gretchen Parkhurst) passed in 2012 she always called me to make sure I was ok and to let me know she loved me. I had lost touch with her the last couple years and was so saddened to see this in the paper this morning. God bless your family during this difficult time and take solace in knowing she is with JB and her other family members, and my Mom once again. Love and prayers, Kim Parkhurst Burton

“ I am so sorry for your loss. I worked with Judy at the Thrifty store on the corner of Chatham Rd and Monroe back in the late 80's and 90's. She talked about JB and her children all the time. She was like a 2nd mother to me, just a wonderful, kind, full of life woman. My thoughts and prayers are with you all.

“ To the Wallace family, Sorry to learn of your Family's loss. I worked with Ms. Judy a number of years at CVS. Very kind and down to earth person. Many nights gabbing while closing down the store. My most sincere condolences.

“ When I was a young girl, Mrs Wallace was very kind to me. She allowed me to spend an inordinate amount of time at her house, playing with Jackie, going to the pool, tagging along to “do the towels” in the evenings, and generally just hanging out with her family. At the time I was grateful, but I didn't fully appreciate her kindness until I was an adult and a mother myself. When I was reconnected with Jackie several years ago, I was able to tell her how much I appreciated her mother's generosity. I hope she realized what a difference she made in my life. I will always remember her fondly. To her family, I am very sorry for your loss.
