“ First, Anita let me offer you my sincere apologies for not knowing until now that Mike had passed. I know you loved him very much and will miss him deeply. Now, one of my favorite memories of Mike.

Mike was a handyman and was pretty good at building things on his own, including a hot tub. Soon after he built his red cedar hot tub, Sarah and I were invited over to Mike and Anita's for dinner. Mike told me to bring my swim trunks and we could soak in the hot tub after dinner. So we ate dinner, put on our trunks and climbed into the self made hot tub. Water was warm and bubbly but there was one problem. Mike built it for Him and Anita to sit in; two rather small people. So when Mike and I climbed in, our faces were about 12” apart from each other. We scrambled out of the tub and went back inside laughing the whole time.

Gina miss you Mike - you were truly a gift from God to all who had the pleasure of knowing you.

“ We have known Mike, his mom Irma and Tuti for a long time. Mike and Tuti did our T.M.T. DJ jackets and did the BEST job ever. We sold over 600-700 jackets. Anytime I needed something for my business, they jumped right on it and I could always count on them.

“ I am gonna miss the silly side of Mike . Any time we needed something fixed he was my go to guy . But if I tried to hug him he got squeamish so it became a game . Mike and Tudi and Patrick and I had so many great times at Otter lake . I have so many good memories and for that I'm thankful . Fly high Mike you have earned your wings .

“ To Tudi and Mike's family,

I am sorry to see Mike's passing. Almost all of my encounters with him was through his business. I found him to be professional, competent, and easy to work with. He was always upbeat and friendly. Whenever we happened to meet socially he was always a lot of fun, He and Tudi complemented each other and laughing was the end result.

I know you all will miss him and I am truly sad about the pain his passing has caused. Please know my thoughts are with you in this trying time.
